Please note that the PAC is aware that we follow an alternate method of itemizing payroll receipts rather than the suggested manner of disclosing a single total for the reporting period along with the amount deducted per pay period. Because the amounts collected per pay period may change often during the time covered by a single report, we find that reporting individual deductions separately more accurately discloses how the receipts are collected.

Please note due to a clerical error, the federal contribution to the Reynolds for Congress committee was incorrectly designated. This amendment corrects the designation mistake. This is the only change to this report. Please update your records accordingly.
